

Refrigerator Reminders

April 14, 2024

Here is what we know is happening at First Congregational UCC and around our community this week. If you have events that fit with our Mission Statement, *To embody God's love for all by living an active faith in service to others*, please let us know of them and we will share the information. We are open for worship and welcome all who wish to attend. Singing together is an important part of our worship. In all things we will be guided by this verse: "Let each of you look not to your own interests, but to the interests of others". Philippians 2:4

We send out email copies of our bulletin and this reminder to all our members and to those who request them. Request at uccdekalb@gmail.com or by phone at 815.758.0691. We will mail this weekly reminder to those who do not have access to email.
